Commodores Corner

The unofficial start to summer season is in full swing. ELYC started the season with the infamous "Welcome Aboard" party at the Puente's home. It was a huge success.

The Nautical Flea Market was very enjoyable. ELYC was represented with a booth. Thanks to Stephanie several bands played including the U.S. Coast Guard Auxiliary band. They were great!

'Meet the Commodores Night" at the Huntington Yacht Club was well attended.

The Tuesday Night Bay Series have started. Unfortunately I missed the first one. I'm anxious to use my new "Rudder". Good Luck everyone!

Mary Lomuscio
Rear Commodore

From the Racing Chair

We have already had 2 successful Bay Series races, the 1st despite a threat of rain, and the 2nd in light winds.

An important note: I am using the course distances from last year, until I have the new GPS coordinates for the W/WW buoys. Once I have the new coordinates, I can re-calculate the course distances for each Bay Series race. Therefore I have labeled these results as 'tentative', and you will see that there are a few finish times that are within seconds of each other! It is possible that the final results could change for those boats. I will re-issue final results once I have the new GPS coordinates for W and WW (the start line). To date, the other marks in the raced courses are established government marks, which are not repositioned each year.

The 1st race was June 3, and 4 boats met to kick off the season. Despite an early threat of rain, it turned out to be a beautiful evening, with at times lighter winds, as the skies ultimately cleared. Please see the results below.

The 2nd race was this past Tuesday, and 5 boats circled the start line, hoping for stronger winds beyond the existing conditions. We chose a short course, which was smart because the winds started to fail as the finish line came into view. However, it was another delightful evening on the water! These results are also below.

To those Captains who do not have their boats in the water...WHAT ARE YOU WAITING FOR?!

See you on the water,

Carolyn Barry
Racing Chairperson

Please contact Carolyn Barry, Boating Activity Chair, for racing details

Rose of York with full crew.

Mercy heads for the 3rd mark & the setting sun.

Winds of Morning prepares for the start.

From the Social Chair

To all the new members and guests who joined in to kick-off the 2014 boating season at Pat and Jorge Puente's home on April 26th. Thanks to all of you for sharing your special appetizers, from soup to nuts! It was quite the presentation.

But it was not the only one. The selections performed by Pat on the oboe and Lillian at the piano sated our souls. We did miss our

guitarist, Joel, and hope to "hear" from him at another party. As for the evening, it was filled with friends, lively conversation, and entertainment. That is what it is all about.

Jan and I appreciate how "many hands make light work" at our gatherings. Your spontaneous offers from uncorking the wine to preparing the coffee urn, do make a difference. So we would be happy to add you to the social committee.

Thank you for the continued support.

Jan Adair and Rosemary Matheson
Social Chairpersons

At the Welcome Aboard Party, a feast.

At the Welcome Aboard Party, a lively group.

At the Welcome Aboard Party, even more food.

From the Editor

Thank you to everyone for your contributions to the Semaphore, especially Curt Matheson for his great pictures!

Don't forget to check out our new Website www.elyc.org and Facebook page.

We need more photographers to take pictures of our events so that Curt can take a break. Please step forward!!

Stephanie Quarles
Publicity Chairperson

At the Welcome Aboard Party, Andrew Whiteley, Jerry McNerney, Warren Grossman.

At the Welcome Aboard Party, Nancy Morcef and Jan Adair.
